To: All Interested Suppliers

Subject: Request for Registration on the Electronic Government Procurement (e-GP) System

Dear Suppliers,

The Ethiopian Pharmaceutical Supply Service (EPSS) is currently finalising its procurement requirements for the 2019 Ethiopian Budget Year (EBY). As part of this preparation, EPSS would like to inform all interested suppliers whose products are already registered with the Ethiopian Food and Drug Authority (EFDA) to complete their company registration on the Electronic Government Procurement (e-GP) platform. Please note that all EPSS procurement activities are conducted exclusively through the e-GP system. To assist suppliers in planning and preparation, the indicative list of products planned for procurement during the 2019 EBY is attached to this communication. We encourage all interested suppliers to ensure that their e-GP registration is completed in a timely manner to enable participation in forthcoming procurement opportunities. For ease of access here is the link to refer the detail on registration process on e-GP (https://production.egp.gov.et/egp/account/registration).

Thank you for your cooperation.

Sincerely,

Abdulkedir Gelgelo (Dr.)
Director General
