S. No	Request	Response	Remark
1	Our principal supplier is participating in the tender for the Procurement of analytical laboratory chemicals and supplies with ref ET-MOH-412028-GO-RFB. However, we are concerned as a local agent on how to secure a bid bond in Ethiopian Birr but in the name of the bidder. Is it possible to secure the bond from our end but the name of the bidder mentioned in the letter?	We hereby clarify that as per the ITB 19; The Bidder shall furnish the bid security in the currency stated on the specific procurement notice or Other Freely Convertible Equivalent Currency as part of its bid.	

Note: The Bid Validity and Bid Security validity must be prepared in consideration with the extended bid closing and opening date.
